

# What is EDGE?

Radi8's one-of-a-kind loyalty system offers new and innovative Reward Coins ecosystem across all Radi8 games. With EDGE, operators could expect more engagement and lifetime value from players.

## Why EDGE?

### Players

Return Value

Sense of Constant Gain

More Choices to Win

### Operators

Keep Players Invested

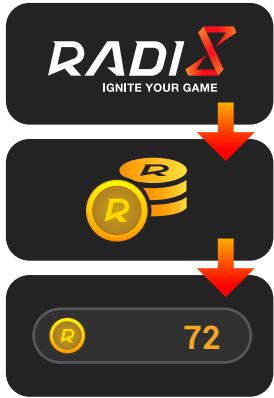

Product Differentiation

Promotional Tool

## How EDGE works?

Play any Radi8 game

Earn Reward Coins by betting

Reward Coins can be used as Free Spins

\* Reward Coins can be used across all Rad+ featured games

## Reward Coins

Reward Coins are earned across all Radi8 games as player wagers in-game. Players' Reward Coins can be accessed across all Rad+ games

## LOOT BOXES

Use Reward Coins to open the all new Loot Boxes for guaranteed prizes. Loot Boxes reward players with a collection of prizes that include Reward Coins and cash. There are 4 types of Loot Boxes, Quick Box, Plus Box, Luxury Box and Jackpot Box for players to get more from playing!

### Boost your Reward Coins

## LEVEL UP

Players on Radi8 games can earn milestone rewards and level up their ranks to get exclusive benefits such as earning more Reward Coins faster. All Level Up points and progress will be carried over across Radi8 games so players can continue their reward journey.

### Level up point

Accumulate level up points and move up the ranks!

### Level up ranks

Players on Radi8 series of games can level up from 1 to 8 through spins!

### Earn Reward Coins

Players will accumulate level up points and receive Reward Coins during their progress, Coins will automatically credit into players profile.

### Reward Coins Boost Status

Players will receive Reward Coins Boost Status during EDGE level up Season. The level up points and received rewards will reset BUT the player's level up rank and received boost status will continue through to the next Season. This bonus effect only applies for players who are Level 5 and above. Additional status will expire before the next season begins!
